**FARMÁCIA**  
Universidade Federal Fluminense UFF

## 2<sup>nd</sup> Electronic Conference for the Faculty of Pharmacy Graduate Program UFF/2020

We are announcing the  
**2<sup>nd</sup> Electronic Conference for the Faculty of Pharmacy Graduate  
Program / II Conferência Eletrônica da Pós-graduação  
da Faculdade de Farmácia da UFF**  
which will be held next October-November.

This is an online event with the following interesting features:

- Participation is free of charge;
- The presentations shall be in extended abstract format;
- There will be a selection of the best presentations from each section;
- The authors of the selected presentations will be invited to present their work in a videoconference.

We kindly invite graduate students/researchers to contribute with works on one of the following sections:

- Development of Health Products
- Monitoring of Health Products
- Biology Applied to Health Products

### **Registration:**
